

# Bonnie Ann Moore Award Nomination Form

This prestigious award is not given every year, but rather is designed to be given to an individual who has made outstanding contributions to the mortgage broker industry and/or the Idaho Association of Mortgage Brokers on any given year (or over the course of many years). Nominations and winners are voted on by the IAMB Board. Examples of outstanding contributions include (but are not limited to) the significant investment of personal time, energy and/or money toward causes that benefit all mortgage brokers (i.e. lobbying, fund-raising, volunteer teaching and/or peer coaching)... with particular attention being paid to individuals who are not compensated for their contributions. IAMB membership is not required, but will be considered a positive factor by the awards committee.

*I hereby nominate \_\_\_\_\_ (name), of \_\_\_\_\_ (company name) for the IAMB Bonnie Ann Moore Award. The reason(s) I feel this individual deserves to be recognized for their outstanding contributions to the mortgage industry are as follows:*

---
